Report of County Commissioners.

TO THE CITIZENS OF STRAFFORD COUNTY:

At the end of the year, it is customary, and the tax payers look for the reports of the various departments of the County, and we take pleasure in presenting to you, this, our third annual report.

We have endeavored to give to the County an economical administration, keeping in mind at the same time the comfort and kind care to which the poor unfortunate people, trusted to us, are entitled.

We have improved the Farm lands and the stock. We have painted the buildings at an expense of \$1,000. We have followed the deadly stove with the deadly lamp, and now not only light the main house by electricity, but all of the horse and cattle barns, thereby removing from our modest cattle the temptation to kick over the lantern.

We have added a new electric engine and dynamo for the lighting service and now think Strafford County has as nice a lighting plant as any in the country round about us.

We were sorry not to have our new wind-mill in running condition before cold weather, but the delay in getting the steel and other unforeseen circumstances have prevented. We are all ready to place it in position and as soon as spring opens shall do so.

We have shingled and clapboarded the Snell barn, so as to make it more comfortable for our young stock, built a new cart

house and henery and various other little things, which you will see by consulting the Superintendent's report, all of which cost something, but with all of these improvements we have been able to save to the County tax payers a number of thousand dollars, reduced the price per capita, and last but not least making the unfortunates safer and more comfortable.

On the motion of Mr. Haven Doe, of Rollinsford, we have placed an everlasting monument to the memory of those weak-minded people who lost their lives at the burning of the Asylum, April 1893, with their full names, so far as we could learn, cut upon it.

We must also remember the kind and ever thoughtful assistance given us at all times by our Superintendent and wife, Mr. and Mrs. Willand, while it seems to us that the running of the institution would be up-hill work were it not for their advice and attention.

Neither should we forget the kind and faithful services rendered our poor people in their sickness by our County Physician, Dr. A. P. Richmond, and we most cordially extend our thanks to Rev. I. W. Beard, as chaplain, who has always been ready to offer to our inmates, by advice and example, the way to life eternal.

The Commissioners are also pleased to acknowledge the able services rendered us by the Town Agents, for their faithful care of the dependent soldier and poor in their respective towns.

Report of Superintendent.

(From Jan. 1, 1895 to Jan. 1, 1896.)

TO THE COMMISSIONERS OF STRAFFORD COUNTY:

GENTLEMEN:—In accordance with the custom of previous years, I submit my third annual report as Superintendent of Strafford County Farm for the year ending Jan. 1, 1896.

The necessary repairs, the improvements in and around the building, and on the farm, are already known to you. That they are generally appreciated by the people of the County, seems manifest by the expressions of those who have visited the farm during the year. I thank you, gentlemen, for your hearty and generous support in my work. To Dr. A. P. Richmond, County Physician, for prompt, efficient service, and to Rev. I. W. Beard, whose presence is always helpful, I tender my personal thanks.

I have been aided this year by a very faithful corps of assistants who have taken a real interest in the management of the farm, and I am glad to announce publicly my appreciation of their labors.

Respectfully submitted,

EDWARD A. WILLAND,
Superintendent.

REPORT OF CHAPLAIN.

The Chaplain's report for the last year is much the same as in previous years. The regular Sunday services have been maintained. I have made occasional visits in the week. I have regularly visited the sick in the hospitals. I have distributed prayer-books and reading matter among the inmates. Friday, Jan. 3rd, 1896, the fourteenth annual Christmas tree was given at the Farm by the young ladies of the various churches in town. Under the humane administration of Mr. and Mrs. Willand the Institution, year by year, is taking on itself a more homelike character.

Chaplain.

REPORT OF PHYSICIAN.

COMMISSIONERS OF STRAFFORD COUNTY.

GENTLEMEN:—As County Physician for the year ending Jan. 1, 1896, I beg leave to submit the following report:

In point of serious illness the County Farm has been fortunately exempt, although, as is natural, the number of cases of illness has been large, owing to the advanced age of many of the inmates. No epidemic has prevailed, a most fortunate state of affairs and one largely attributable to the careful management of Superintendent and Mrs. Willard, and to the sanitary improvements made, from time to time, by the Commissioners.

Several serious accidents have happened, one of which resulted fatally. Two persons were adjudged insane, and sent to Concord.

A large number of minor and several major surgical operations have been successfully performed. One operation for strangulated hernia, Dr. Ham assisting; while two operations, one for the enucleation of the eye, the other for cataract, were performed by Dr. Flanders. During the year there have been seven cases of confinement and eleven deaths. The following

is a list of those who have died, with date, age and cause of death :

Date	Name	Age	Cause of Death
Mar. 6,	Elizabeth Norris,	64	Paralysis.
Mar. 11,	Robert Fleming,	26	Pneumonia.
May 12,	———Grady,	4m. 3d.	Marasmus.
May 23,	John Smith,	33	Chronic Alcoholism.
June 13,	Mary Fernier,	71	Old Age.
June 18,	Peter Trainer,	80	Old Age.
June 18,	Albert Felker,	41	Chronic Alcoholism.
June 27,	Frank Marden,	14	Heart Disease.
July 28,	Herbert Hollar,	43	Heart Disease.
Nov. 16,	Harriet Cutler,	82	Result of Injuries.
Dec. 9,	Brown,		Still born.

At the Jail the usual amount of sickness has prevailed. Two deaths have occurred—one, a suicide.

Among the poor of the city, there has been an unusual number of sick persons. One was sent to the Insane Asylum at Concord.

In my work at the Farm, I have been materially helped by the hearty co-operation of Superintendent and Mrs. Willand; at the Jail, Jailor and Mrs. Hayes have accorded me real assistance, and in every department I am indebted to you, gentlemen, for helpful and wise suggestions.

. Respectfully submitted,

ALLEN P. RICHMOND, M. D.
